The screenshot shows a desktop environment with several windows open. In the background, a web browser displays a search result for 'RPG Maker Key' on the website VIDEO-HNED.COM. The search results include a video titled 'RPG Maker VX English Trailer' and another titled 'RPG Maker XP Tutorial - Part 0'. In the foreground, a Microsoft Word document titled 'rpg maker vx ace proctkey - Microsoft Word Starter' is open. The document contains the text: 'RPG MAKER VX ACE Product KEY(update)' followed by a numbered list: '1. open your rpg maker vx ace' and '2. you will see this'. An 'Activation' dialog box is overlaid on the Word document, displaying an error message: 'An internet connection is required to complete license authentication.' The dialog box includes 'Registration Information' with fields for 'Real Name' (containing 'Rob'), 'Secret Question' (containing 'Favorite Game'), and 'Secret Answer'. It also has a 'Product Key' field with five empty boxes. The Windows taskbar at the bottom shows the system clock as 10:52 PM on 24/1/2013.
